Note: Buildings later than 1925 that have architectural significance should also be preserved;		
Examples are Quonset huts, A-frames, Craftsman		
Note: Historic land is not listed, but shown on the Town's GIS Historic sites map		
Parcel 301-220 is on the National Register and is significant to the rest of the Historic District		
so cannot be developed per the RI Historical Preservation & Heritage Commission		
Stone walls typically designate a boundary as described in original deeds, including some		
which may be within a property, so these should not be destroyed without researching		
the original deed
