Does your plan still reflect your family situation and current goals? Do your accounts reflect the right titles, beneficiaries, and fiduciaries? Need to make any changes in light of recent or upcoming changes in the law? Please check out our May eblasts for more information, or discuss with your service team at your next meeting!

Information (continued)

Foreign ADR

Foreign Corporations that wish to have their securities traded on U.S. stock exchanges, issue American Depository Receipts (ADRs), which make the foreign securities more accessible to U.S. investors. If your portfolio holds foreign securities, such securities will be held in ADRs. Foreign governments may impose withholding taxes on the gross amount of foreign dividends sourced to their countries. These withholding requirements may be subject to modification under certain tax treaties, depending on the country of origin of the issuer of the stock underlying ADR. Please consult your tax advisor for advice regarding the tax options applicable to your particular situation.

Individual Retirement Accounts – Reporting Fair Market Value

The fair market value as of December 31st will be reported to the IRS as required by law.

Individual Retirement Accounts - Withholding on Distribution or Withdrawals

Federal tax law requires WTWM to withhold income tax on distribution(s) from your taxable retirement accounts by electing a percentage or fixed amount to be withheld from your distribution unless you elect not to have income taxes withheld. If you do not have enough income tax withheld from your distributions, you may be responsible for the payment of estimated tax. You may incur penalties if the amounts withheld and your estimated tax payments are not equal to your tax obligation. State withholding, if applicable, is subject to the state's withholding requirements.

Mutual Funds

WTWM may receive compensation in the form of Rule 12b-1 fees, commissions and/or soft dollars from mutual funds it utilizes for the services we provide to the Mutual Fund. There is no additional cost to the account from the arrangement and not all accounts may benefit from such compensation. WTWM may purchase affiliated mutual funds in which the fund manager or any of its affiliates may serve as the investment advisor. A copy of the prospectuses, which includes a description of fund fees and expenses, are available upon request.

Privacy Statement

WTWM is committed to maintaining the confidentiality, integrity and security of your personal information that is entrusted to us. The Washington Trust Company Privacy Policy will be sent to your address on file in the event there are any material changes to the policy, or if we change any of our sharing practices. Tax and Withholding Election Notice - IRA and Pensions

Distributions that are not subject to income tax – such as trustee-to-trustee transfers and qualified Roth distributions – generally are not subject to federal income tax withholding.

For IRAs, taxable distributions you receive from your IRA generally are subject to 10% Federal income tax withholding, unless you elect otherwise. You are responsible for determining and paying all Federal, and if applicable, state and local taxes on distributions from all IRAs you own. You may waive withholding, or withhold a different amount, by returning a signed and dated Withholding Certificate. Your election is valid until you change it, and you can do so at any time by completing a new Withholding Certificate. (Please note: if you do not have enough Federal income tax withheld from your IRA distribution, you may

Information (continued)

incur penalties under the estimated tax rules if your withholding and estimated tax payments are not sufficient.)
For qualified pension plans (like 401(k) plans), taxable distributions you receive which are eligible to be rolled over to an IRA or qualified plan – generally everything other than required minimum distributions - are subject to a 20% default rate of withholding, which cannot be waived or reduced.

Verification of Account Owner(s) Identity

To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account, or is added to an existing account. Such information includes, name, address, date of birth, social security number, a valid driver's license or other valid identifying documentation, and any other information that will allow us to verify the identity of all accountholders.
