3. Nothing contained in this Agreement is to be construed as in any way granting or waiving rights or responsibilities of the Town which may not be granted or waived under the statutes of the State of Rhode Island.

**ARTICLE III

- c. If the grievance involves two or more employees, the shop steward, after receiving the grievance in writing, may discuss it directly with the Department Director without any of the employees being present.

2. If the aggrieved employee is not satisfied with the disposition of the grievance by the Department Director, or if no decision has been rendered within the five (5) day period referenced in Section 1(b), the Shop Steward shall file an appeal to the Town Administrator seeking resolution to the grievance. Employees not eligible to use a HSA (for age or other IRS-related reason) who are otherwise eligible for the HDHP shall be offered the option of a Health Reimbursement Account (HRA) to fund their deductible costs. The coverage of the HDHP shall be equal to that of employees within the AFSCME, Council 94 group, except as otherwise noted herein.

Effective July 1, 2024, the Town agrees to advance the monetary amounts of said deductible (\$6,000 family or \$3,000 individual) to a prepaid debit card that shall be issued to each member. Each member shall utilize said debit card for medical payments as needed to satisfy said deductible of the HDHP.

Effective July 1, 2024, participating members of the bargaining unit, through payroll deductions, shall pay the employee share (\$3,000 family and \$1,500 individual – half of the amount that was advanced to the members) back to the Town. The amount of the employee share (\$3,000 family and \$1,500 individual) shall be divided by the total number of pay periods within the year and shall be withheld prior to payroll taxes being withheld. Employees over the age of 65 shall pay the same employee share of the premium. If an employee leaves service with the Town, for any reason, the employee shall be responsible for repaying the Town's advance of the employee's share of the health savings account contribution in full, which the Town may deduct from such employee's final paycheck. As a condition of receiving this advancement of funds, each employee

shall be required to sign an authorization form allowing the Town to deduct any such amounts from his/her final paycheck upon separation.

A third party shall administer the debit card for members of the unit. Any and all costs associated with the administration of said debit card from the third party shall be borne by the Town.

The Town agrees to provide all members and their family members (if applicable) with initial debit cards at no cost to said members. Two (2) cards per family plan shall be issued, and more can be requested by the member. The Town also agrees to provide said members with an allotment of checks, upon request, at no cost to the member.

Any charges associated with replacing said debit card to members or their family members shall be borne by the member.

There will be no premium co-share of the above cited HDHP contributed by the members towards the cost of the plan, except as specified herein.

HSA and HRA funds will be maintained as permitted by current IRS regulations.

As of July 1, 2024, Employees electing to not take part in the health plan shall be entitled to an annual payment of up to \$3,000 per family or up to \$1,500 per individual. This payment shall be pro-rated and paid in bi-weekly installments for the period in which an employee opts out of the health plan during the course of the fiscal year.

The parties agree that the above benefit will have no further economic or monetary value for retirees of the Town or at the time of an employee's retirement from his/her employment with the Town.
5. Part time employees of the Town who are members of the bargaining unit and who are not covered by medical insurance will be allowed to join the Town's medical insurance coverage at the Town's group rate, provided the individual is otherwise eligible and, provided further, that all premium payments/contributions necessary to maintain such coverage are made at the individual employee's own expense and in accordance with the Town's rules and regulations for making payments.

6. The Town of Tiverton is required to provide full medical coverage under this Agreement but reserves the right to choose the carrier provided the coverage is equal or greater than present coverage.

Employees covered by this Agreement will be placed on a rotating call duty schedule that will be mutually agreed upon by the Department Head and employees for the period from November 1 through March 31 of each year. MISCELLANEOUS PROVISIONS**

1. Unless modified by the express terms of this Agreement, all existing rights, benefits, privileges, and practices enjoyed by the employees in the bargaining unit shall be maintained throughout its term; provided, however, nothing in this Agreement is intended to limit the right of the Town or the Union to cease any established past practice in accordance with R.I. Gen. Laws § 28-9-27(e), as amended.
2. Neither the Town nor its agents shall enter into any agreement with any individual employee which is contrary to the terms of this Agreement.
3. No agreement, understanding or alteration of the terms of provisions of this Agreement shall bind the parties hereto unless made and executed in writing by them.
4. The failure of either party hereto to insist upon compliance with any of the terms or conditions of this Agreement on any occasion shall not be construed to be a waiver by that party of its right to insist upon compliance in the future with such terms and conditions.
5. Each clause of this Agreement is totally severable from every other clause hereof. Should any clause of this Agreement be declared by any court or agency of competent jurisdiction to be invalid or unenforceable or be rendered invalid by any legislation, the validity of all other clauses in this Agreement will be unaffected thereby and shall remain in full force and effect during its term.
6. In the event an employee fails a random drug test the cost incurred for all required follow-up testing will be paid by the employee.

**ARTICLE XXIV
EFFECTIVE DATE**

The effective date of this Agreement is July 1, 2024. The signing of this Agreement by the authorized representatives of the Union and the Town shall be authorization to implement all of the provisions of this Agreement.

**ARTICLE XXV
TERMINATION AND RENEWAL**

This Agreement will expire and terminate on June 30, 2027. At the end of that time, either party may terminate this Agreement provided such termination is transmitted through the registered United States mail to the responsible signatories to this Agreement. In no case may termination notice be sent less than one hundred twenty (120) days prior to the first Wednesday in May, prior to the expiration date of this contract.

**ARTICLE XXVI
CHANGES**

Should either party to this Agreement wish to inaugurate collective bargaining discussions over changes it may wish to introduce into the next succeeding Agreement, it is agreed that notice to reopen negotiations shall be mailed to the authorized parties signatory to this Agreement at least one hundred twenty (120) days prior to the first Wednesday in May, prior to the expiration date of this contract. The parties shall forthwith seek establishment of a meeting for purposes of discussion and amicable accommodation for the desired changes. Nothing in this article shall preclude either party from modifying any previous proposals during the course of contract negotiations.

**ARTICLE XXVII
NEW CLASSIFICATION**

Notwithstanding the foregoing, the Town agrees that should it, during the term of this Agreement, establish new classifications of work, the Town shall present to the Union, at least thirty (30) days prior to putting the new job into effect, a job description sheet for the purpose of negotiating rates of pay.

**ARTICLE XXVIII
CLOTHING ALLOWANCE**

The Town agrees that it will provide uniform service, rain gear and such equipment as may be necessary in the course of their employment for members of the bargaining unit.

The Town has the right to require the employees to wear uniforms within reason to conform to a proper dress code.

The Town agrees to reimburse DPW personnel for the purchase of OSHA approved steel toe safety footwear in the amount of \$150 in each year of the contract.

Payment will be made during the first or second week of July annually.

In the first year of the contract, the Town agrees to provide a one-time stipend of \$41.60 to each member who does not choose a lightweight jacket from the clothing vendor.

The Town agrees to provide one (1) winter weight work-jacket to each bargaining unit member during the term of this contract, at a cost of up to \$300 per bargaining unit member. If the winter jacket costs less than \$300, employees shall be permitted to submit store receipts for the purchase of other winter gear (e.g., hats, gloves, boots) to the Department Head for reimbursement of the remainder of the allowance; provided, however, that in no event shall the Town's reimbursement (inclusive of the cost of the winter weight work-jacket) exceed \$300 per bargaining unit member. If an employee separates employment with the Town for any reason within six (6) months of receiving the winter-weight work jacket and/or other allowance described in this paragraph, the employee shall be required to repay the Town for the value received (which amount the parties agree may be deducted from the employee's final paycheck) or return the jacket or other clothing to the Town within seven (7) days of the employee's separation.

The Parties agree to meet within sixty (60) days of ratification of this Agreement for the purpose of negotiating changes to this Article XXVIII only.
